

NOTICE TO INMATE VISITORS

****NEW WESTERN UNION** TRUST FUND DEPOSITS**

To make it easier to deposit funds into an inmate's Trust Fund account, you can now use Western Union.

You can do this in two ways:

1. On line with a credit or debit card at

www.westernunion.com/corrections

*** The name on your credit/debit card will have to match your name on the approved visitors list.**

2. At walk in locations throughout the state. A list of those locations (494) is available on the website or by calling 1-800-325-6000.

To use Western Union you must ask the officer for a new visitor's application to fill out and sign, even if you are already an approved visitor. The form has a box you must check to indicate you want to use Western Union.

****Please note: Western Union does charge for this service. The amount varies depending on how much you deposit. This will be explained at the time of deposit.**

****The Department of Correction will provide your Name and Date of Birth to Western Union to verify that you are an approved visitor.**

If you have any further questions, please call Inmate Trust at 860-692-7670 or 860-692-7757.
